

ROLLER RACER® CADDY

All products are packed securely for shipment. Please carefully check all packing materials for parts before discarding. For Customer Service call 800 821-4141. Please have your Packing Slip handy as this will allow us to give you fast and efficient customer service. Thank you.

You will find the following components to assemble your cart:
1 - Base
1 - Top
4 - 23" pipes
6 - Casters (2 locking and 4 non-locking)
1 - Assembly instructions

1. Assemble your ROLLER RACER® CADDY with a rubber mallet or towel covered hammer.
2. Lay the base onto a flat surface with the six holes down and the four holes up.
3. Insert a 23" pipe into each top hole and tap into place.
4. Install the top onto the 23" pipes and tap into place.
5. Lay the caddy on its side. Insert a caster into each bottom hole and tap into place. Install both locking casters at one end.
6. Hang the Roller Racers® handlebars over the large hook arms, with the wheels towards the caddy and the blue seat down. The total capacity of the caddy is EIGHT Roller Racers®.
